## PROFILE

Hi, I'm a first-year B.Tech student with a strong passion for coding, web development, and tackling challenges through problem-solving. I love exploring new technologies and building projects that address real-world issues. I'm enthusiastic about my tech journey and eager to connect and collaborate with like-minded individuals!"

## EXPERIENCES

### Freelancer Developer

Jul 2023 — Present

As a Freelance Web Developer, I've worked on a variety of projects, creating custom websites and web applications tailored to clients' needs. My focus on responsive design and seamless user experiences has helped me build a strong online presence, attracting diverse clients. Through iterative testing and user feedback, I've continually refined my work to ensure optimal functionality and design.

### AWS Club Member

Oct 2024 — Present

I am currently a member of the AWS Club at KIET Ghaziabad, where I actively enhance my AWS skills on a daily basis. I am preparing for the AWS certification, focusing on deepening my understanding of cloud services and best practices.
